The Studio is based in Amanzimtoti, Durban, KZN. I also have the use of a studio in the Riverhorse Valley area, close to Umhlanga. Photo shoots can be done in studio or on-location. To travel to your chosen destination is my pleasure.

**Studio Packages:** *(additional cost for on-location shoots depending on location/area)*

A R350 deposit is due on or before any booked photo session date. The balance is due on collection of photos, approximately 1 week later.

I take a variety of photos during your photo session, as per your request. (Family, individual, group ect...) All packages include 30 mins - 1hour photo session, editing time, prints and high resolution printable images saved to CD.

Only the edited images in your chosen package will be saved onto the CD. Additional costs apply for more images. (See: "ADD ON" below)

Once your photo session is complete I will do a basic edit and email you a contact sheet with all your images on. From there you may select your package and images. I will then edit accordingly with special effects: Colour, Sepia, Black & White and do the necessary "touch-ups" (blemish removal, light facial airbrushing ect..)
